

Quality Policy

We provide a comprehensive range of ground handling services to customer airlines at Karachi, Lahore, Islamabad, Peshawar, Multan, Faisalabad and Quetta Airports.

We are committed to satisfying our customer's requirements and expectations by:

- Incorporating Quality Management Systems requirements in our Integrated Management System and continually improving its effectiveness;
- Providing friendly, reliable, safe and cost-effective services guided by our values – *Safe & Secure, Performance Driven, Respect, Service Excellence, Delighting Customers, Imagination;*
- Complying with all relevant legislation, regulations, codes of practice and aviation industry standards;
- Continually monitoring, evaluating and improving our operational performances by setting objectives and targets to ensure an effective Quality Management System;
- Managing the customers' complaints efficiently and independently, in order to assure its recurrence and to drive the improvement process.
- Continually enhancing competence and skills of our people through awareness and provision of training;
- Communicating and reinforcing this policy to all people working under the control of the organization and making it available to general public and interested parties for accountability.

Ali Kamal
